SUMMARY

Seeking to help ambitious brands grow through AI-assisted content strategy, audience intelligence, and performance marketing - turning creative work into measurable audience and business growth.

WORK EXPERIENCE

Founder | Growth Consultant & AI Content Strategist | Syfer Media

Aug 2019 – Present

Advise clients on AI-assisted content strategy, audience growth, competitive intelligence, business analysis, and digital marketing initiatives that drive measurable business growth. Selected projects:

Content Strategist | Tansavatdi Facial Plastic | Dec 2023 – Present

- Grew YouTube subscribers 675% (8K to 62K) & Instagram followers 215% (13K to 41K), generating 32M+ views
- Reverse-engineered top-performing competitor content and audience behavior to develop scalable content strategies
- Produced multiple viral campaigns, including videos with 11M+, 5M+ and 5M+ views
- Trained physician and staff to integrate AI into content creation and workflows, developing AI playbooks, training guides, and performance scorecards

Creative Lead & Editor | Yamikaze & YamikazeXZ | Aug 2019 – Sep 2021

- Creative lead, grew subscribers 471% (63K to 360K), contributing to 45M+ views while recruiting and managing editors
- Scaled second channel from 0 to 50k subscribers with 42 videos, achieving an average of 110,310 views per video
- Trained video editors (titles, thumbnail design) while scaling production and expanding the channel

SELECTED CONTENT STRATEGY & GROWTH PROJECTS

Partner & Channel Manager | Yozu & Yozu Lux | (Nov 2022 – Present)

Grew subscribers from 17K to 82K+, generating 40M+ views and \$45K+ in revenue through content optimization - increased views 195% and revenue 73%

Founder & Community Operator | MemesBreakcore | (Dec 2022 – Present)

- Established a community primed for monetization through partnership, merchandise and affiliate marketing
- Grew Twitter/X community 120% (150K to 330K) followers and built communities across Reddit, Discord, Instagram
- 45K+ Instagram followers; 24K Reddit subscribers; 4,200+ Spotify playlist saves.

Benny (Media Client) | Feb 2025 – Sept 2026

- Built a content intelligence system analyzing 90+ videos to identify audience behavior patterns and optimize thumbnails, titles, audience retention, and content performance

Partner, Video Editor & Growth Manager | MMA (Adam YT / Martial Arts Virtue) | (Mar 2023 – Jan 2024)

Founding growth partner for a UFC short-form media project. Generated 120M+ views and grew subscribers 570% (10K to 67K) in under one year across YouTube, TikTok, and Instagram

Co-Founder | Syfer Music & Silver Skies Records | (Sep 2014 – Present)

Built a music media brand to 104K subscribers and 54M+ views while supporting 100+ artists and 250+ releases. Built and managed creator communities across YouTube and Discord
